“ I want to express my condolences to your family during this difficult time. Mr Tompkins was a person whom I dearly admired and looked up to. Mr. Tompkins always took the time to lend valued advice to someone like me who was at a complete loss some 20 years ago when I lost my father. May you treasure the good times and know the postive influence he had on many people. My thoughts and prayers are with your family during this time of sorrow.

“ You are all in our prayers and we are feeling the loss with you. Your Dad was such a part of this community, you don't think of Belgreen without thinking of Mr. RH. My grandchildren never met him but they knew who he was...he was the man that made holidays special, they could not wait to go see what he had added each year..I have to admit that I too was always drawn up the street to see...even when the kids were not here...We love you neighbors.

“ R.H. was truly a living legend, which can rarely be said of anyone passing through this earth.
He displayed a character, unmatched in the cattle business.
R.H. was an inspiration, mentor, and friend to me and will be missed--greatly!
