“ Terry's welcoming him Tom's carrying him. Martha was the love of his life, Cara is his duplicate in female form and Chris his only son. Know that he loved the three of you unconditionally and eternally. My faith tells me you have a guardian angel in God's Heaven and he has a body that doesn't hurt or suffer. He was a great man and a great friend. My prayers are with each of you. The one and only BRO.

“ Ricky and I were in high school together. Even though our last names were the same we are not kin. However, we use to call each other bro and sis all the time. I remember him as a tender soul and a strong football player. He was always there to listen or loan a football jacket to a cold sis. I am better because of knowing him. My prayers are for his love ones. May God bless you.
