“ *I knew of you both long before I met you through Misty and Jeffery. I heard stories of you growing up and the mischief and adventures. Then Rikki became my first boss out of college at Windmill. I knew immediately why she was loved by so many, because she was a genuinely honest person and good soul. From Rikki's advice to her hugs to her smile and laugh- I am grateful to have been blessed to know you and to love you like the Family you are to The Newman Family as a whole. Until we meet again my precious friend.💎*
