“ *My dear Aunt Ruth. You were always so funny, happy, full of life, and a joy to be around. You will be missed, but I am so glad that you are in a better place with no pain. I will see you later.*

*Hope, I am so sorry for your loss, but I know you know that she is much better off in heaven than here with pain and suffering. Take care of yourself and trust that God will make the days easier for you. Thank you for taking such good care of you mom. I love you.*
