Imogene never met a stranger and enjoyed being around people. She

enjoyed cooking for all her family and friends. She made the best coconut cake, pecan pie, peanut brittle and fried okra you have ever tasted. She loved her flowers and vegetable gardens, especially her green beans, peas and okra. She never missed a Ford Retiree supper where she always brought her peanut brittle. She was a 1950 graduate of Belgreen High School and attended every Alumni Banquet that was held. She was gifted with a computer-like memory and would always remember everyone's birthday and anniversary-even those of people she met only once or twice. Mother will truly be missed by everyone.

Our family would like to thank the special ladies in helping care for our mother during her illness, Angie, Martha, Sandra and Vanessa as well as Michelle and Nicole of Kindred Hospice. “ *Loved Mrs Imogene so much. Spent many nites and Sundays at her house. I will never forget her meals she cooked, esp. the peas and okra. I will always remember the toasted cheese sandwiches we had before church on Sunday evenings! That is how I learned to like them without any condiments! Glad we got to visit with her some a couple years ago before Covid! Hate she is gone, but sure glad she was a Christian! She isn't sick anymore and at peace. That is the most wonderful thing about being a Christian! Love you all friends and family!* ”

“ *So sorry for the loss of Aunt Imogene, she was such a sweet lady and always loved our times together. She had the best desserts and loved going there after Thanksgiving to visit and enjoy the peanut brittle and pecan pie. She will be really missed, but we know she is with her other loved ones and no longer suffering.* ”
