“ My mama was such a beautiful soul. She was the absolute best person that I ever know. She was always in pain but still managed to keep a beautiful smile on her face. She is so missed by all of us. I love you so much mama. I miss you even more.

“ To Sandra's Family, I'm so sorry to hear about Sandra. We became friends in junior high school. On the first day we became friends, we knew it would be a special one. When school was over we still had our friendship. But as years passed & life moved faster we talked every few months, catching up on what we'd been doing. I knew first time we talked, i had a special friend. I hope she felt that way too. Although we had'nt talked for a long time, i still thought about Sandra often. My prayers are with you always. Sandra will be missed by many, and have special thoughts until we see her again. Heaven gained a true Angel.
