“ I already miss you so much daddy, but I thank God every day that you are no longer suffering and will never have to go to dialysis again! I can never thank you enough for all you've done for me, for loving me and raising me to know that living for God is the most important thing in life, for always being there, even when I didn't deserve for you to be. I see your smile in the pear tree blooms that you loved, and were anxious to see each Spring, I miss your voice and your laugh, your chair is so empty and I long to see you in it, but above all... I'm joyous to think about you healed and whole again, in Heaven! Please watch for me, I can't wait until I can see you again, until then, I will carry you in my heart, in that special place just for you. You will always be my hero. Love your daughter, Cindy
