“ I'm about as confident as I can be that Mr. Cansler is a buddy I haven't seen in almost exactly 40 years. Tried to find him repeatedly via the Internet. So very sad when I did finally find him, it was his obit.

I called him "Bear" when we served together in the USAF Security Service in Hof, Germany. He will always be my buddy.

He was a good man when young and I can just imagine he only got better with age.

Warmest regards to his family.
