“ Anita, Ruth Ann and family, I'm so sad at Sylvester's passing and your great loss. I greatly enjoyed working with him when he served as the Chief Juvenile Probation Officer. His calm manner and insightful approach to his profession made him a great example of the firm but fair attitude that helped so many young teens.

He lived a life we should all strive to emulate. Take some small comfort knowing that he now resides in Heaven and looks forward to that eventual day you will all be reunited.
