“ I met Tammy at Clearview Cancer Center when I was carrying my cousin there. We sat and chatted while I was waiting and when she was waiting to go back for her treatment. She was a very sweet lady and I enjoyed talking with her. Although that wasn't the first time I had seen her. When I shopped at Big Star I would see her outside her barber shop. Never dreamed we would meet up elsewhere. I would ask the Ladies in Big Star about how she was doing. My sincere condolences to her family and friends may she rest in peace.

So sorry Tammy had to endure such a hard, extended illness. She was a trooper and excelled at all she did. She was a hardworking gal always with a smile on her sweet face. Thinking of you all during this trying time. Rockwood Church kept her on our prayer list and will continue prayers for you. Tammy's at peace now.
