“ Words can not express how sorry I am and how much you all are hurting. Just remember God gave us all 21 years with him when they said in Birmingham that the most he would live was a year even if he left the hospital. I love ya

“ I'm so sorry for your loss. I remember how close him and dad were. I looked at Tom like an uncle and I'm sorry I didn't get to tell him that. I know words will never fill the hole or the void you now have but remember he's not really gone as long as you keep his love and memories in your heart if you need me I'm here.
