“ Wallace was my very good friend. I already miss him so much. He worked with me for many years at the Bluff. Was one I could always depend on. So many good memories ,always there for me. He coached me , guided me, helped make major decisions, in good times and bad. Though we will go on and take all that he taught us there will never be another "Wallace Baker". Such talent, not only a great entertainer but tremendous musician. Oh how he could sing and play. Was so good to our family when our youngest son died. Love and miss you, and may God remember him for his kindness and goodness. Rest in peace my friend. All our love to the family.
