“ I was sorry to hear about Wanda's sickness and death. Wanda was a dear friend thru school but I loss touch with her. My sister thought I knew of her sickness and death but I didn't until the day after her funeral. I'm so sorry I didn't get to attend or visit her beforehand. Please know I'm praying for you. Wanda and I spent many nights at each other's house during school days. She was a very dear friend! We shared many laughs and good times! Wanda is no longer in pain. She in Heaven waiting for all her family and friends.

“ Wayne, Kim, Boys, Aunt Lavada, Uncle Waylon & family,

*I am so sorry for you loss. My prayers and thought are with you all as you go through this sad time.
I will always remember all the fun and happy memories or the just pain silly things we did as kids growing up.
Charish the wonderful memories you all shared together and know that she is dancing with the angels and probably wearing red.
Please know that we are all thinking of each of you.*
