“ To my best friend Jeff Peppers, you will never know the friendship that I cherished with you growing up and though out our life. We traveled many roads. many paths and always each of us were there to carry and hold each other up. I was touched by you throughout my whole life. We both were huge Alabama fans, loved motorcycle riding, swimming, school and just everyday life. Our conversations we had will never be forgotten and the love for your family touched my soul, you were so proud of your mother and brothers and especially your son Jerry. There are simply to many memories to even remotely go thru much less try to remember them all. Jeff I loved you like a brother and my life will be forever changed. As always the Dirty dozen will be forever remembered, Jeff, David. Chris, Allen, Steve, Wayne, Sam, James and Scott! You are forever our brother and never will be forgotten!
